Performance Without Compromise®

HORIZON ROOM PACKAGE

A New Look and Improved Productivity!

www.ergonomic-products.com

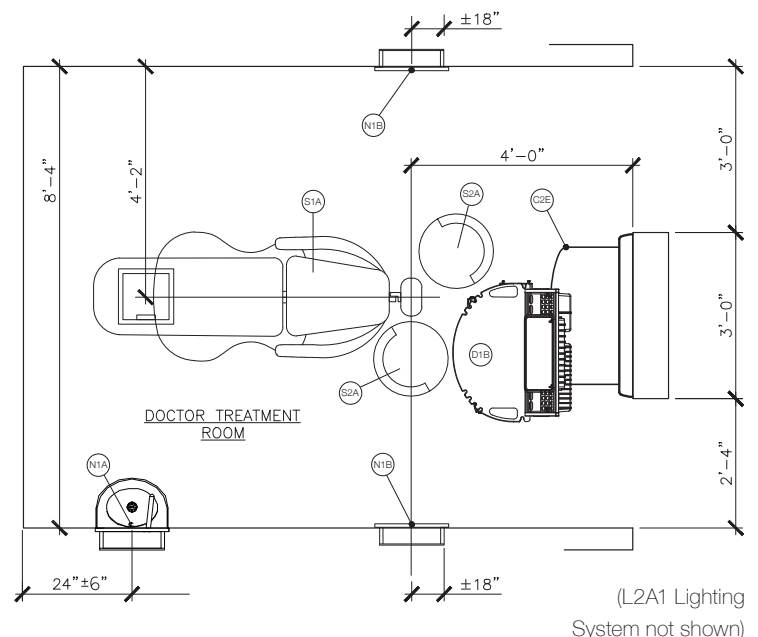

Raising Dental Productivity to New Heights

The HORIZON Room Package offers consolidated supply delivery platform that provides exceptional performance on a moderate budget.

- New double-tier design places all operator materials and supplies even closer for improved ergonomics and a better appearance.
- Instant Left/right Convertibility
- InWall comfort station and storage units maximize use of space leaving the treatment room with an open, uncluttered floor-plan.
- Low-profile headwall allows custom layout of support and product items to create a look that is custom-tailored and professional.

Performance without Compromise.®

Our treatment room solutions are unmatched, combining **the most efficient delivery, flexibility, space efficiency and enhanced work-flows in the industry**. The promise at the heart of all our equipment packages – **Any Procedure, Any Room, Any Time** – has enabled our clients to consistently achieve production-per-hour levels that are two to three times the national average.

The Horizon Package delivers the accelerated utility, comfort, and performance that is the hallmark of all Ergonomic Products systems. And the newly redesigned Horizon Workstation provides **ergonomics & productivity enhancements** that will get your next practice to the next level even faster.

Do more world-class dentistry with ease in an environment that both you and your patients will love.
